Questions?

What if I am out of town the week of delivery?

Please let us know as soon as possible and we can coordinate to get your macarons to you at your convenience!

What if I am not home when they are delivered?

We will do our best to put them in a secure location at your house so they will be ready for you when you get home!

What if we have an address change?

Please contact us as soon as possible to coordinate how you would like to proceed with your subscription.

When will Holiday macarons be delivered?

With this exclusive subscription you have access to holiday macarons at a largely discounted price (most are priced at \$28+ per dozen). Holidays can be crazy, and at different times of the month. To get your holiday macarons to you as close to the holiday as possible, we will send out an email a week prior to the holiday. Example: Christmas is at the end of the month, so we will send you an email at the beginning of the month to coordinate pick up/ delivery options.

What if there is inclement weather and I can't pick up at the designated time.

For the safety of our customers and employees, we will delay deliveries and pickups until weather is permitting. We will send this information out via email/ social media as soon as possible.
